

# Snohomish Zombie Walk

Sponsorship Options

snohomishzombiewalk.hdsa@gmail.com

All zombies and ghouls are invited to gather on the last Saturday of October every year to end hunger throughout our community by participating in the annual Snohomish Zombie Walk. This free event is open to the public and benefits the Snohomish Community Food Bank. Sponsorship helps cover all the costs associated with the execution of the event, and any additional funds will be directly donated to the food bank.

Zombie festivities begin at the Carnegie Building, which include Zombify Face Painting stations, unique Zombie swag, Haunted Snohomish Tour Map, Costume Contest, and various vendor booths. We also expanded the event to include local partners to host a photo booth, booths for other food responsibility groups, and work with other downtown merchants. The festivities conclude with the Snoho Zombie Horde lurching through downtown Snohomish's 1st Street sidewalks.

In 2022, we raised over \$5,000 and 442 pounds of donations. In 2023, we raised \$4200 and collected 147 lbs of food. The need for support has only grown greater in 2024 as our local food bank is serving more and more families every month. YOU can help us make an incredible impact while also bringing fun, family friendly activities to our downtown.
